

Jump That Hurdle - Get the job you want even with a hearing loss!

Learning Objectives for Workshop Attendees:

1. Apply proven **networking and relationship strategies** to obtain new job leads,
2. Implement **social media techniques** using LinkedIn, Facebook and Twitter to facilitate your job search,
3. Utilize specific approaches to **market yourself** for a position and communicate effectively to hiring managers.

We'll also cover:

How to get help and give help, too

Learn where to turn for assistance
Discover how helping others can help you

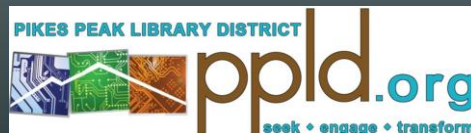

Tools and resources

Company target lists
Key job-search websites
Interview techniques
Follow-up communications
Popular reference materials including books and associations

Tracey Dorr and Dianne Reitan have experienced the challenges of procuring a job as hearing impaired individuals.

Finding employment is not a fun or easy task. The process requires creativity, persistence and the ability to believe in oneself. We will share our real-world experiences, specific techniques and tips on landing a job.

Come join us!
Saturday, June 14, 1-3 pm
Hearing Looped Room
Pikes Peak Library
1175 Chapel Hills Drive
